Astronomy Picture of the Day A different astronomy and space science related image is featured each day, along with a brief explanation. The Universe in pictures: The best space photos of 2013. I love astronomy. I have my whole life. Part of that is the wonder and awe it generates, learning about the Universe and our place in it. But of course. RASC Victoria - Royal Astronomical Society of Canada Thank you to everyone who was involved in the RASCals Star Party this year. We tried out a new venue in Central Saanich and it looks to have a lot of potential.

Benjamin Banneker - Wikipedia Benjamin Banneker (November 9, 1731 – October 9, 1806) was a free African American almanac author, surveyor, naturalist, and farmer. Born in Baltimore County, Maryland, to a free African American woman and a former slave, Banneker had little formal education and was largely self-taught. Hiking Shenandoah National Park is the 4th edition of a favorite guide book, created by Bert & Janie, a professional husband-wife journalism team.

The Photographer Reveals the Philosophy, Techniques ... He's been gone 55 years, but the American West we see in our mind's eye still owes much to Edward Weston's photographic eye. Yet because he worked in more or less every one of the known forms of his day – portrait, landscape, still-life, scenes in a variety of tones, and beyond – we tend to. HubbleSite - Out of the ordinary...out of this world. Identify constellations, planets, deep-sky objects and more with our monthly guide to the heavens. The year 2008 in photographs (part 1 of 3) - Photos - The ... 2008 has been an eventful year to say the least - it is difficult to sum up the thousands of stories in just a handful of photographs. That said, I will try to do what I've done with other photo.

Ansel Adams - Wikipedia Ansel Easton Adams (February 20, 1902 – April 22, 1984) was an American landscape photographer and environmentalist. His black-and-white images of the American West, especially Yosemite National Park, have been widely reproduced on calendars, posters, books, and the internet.
